BE SAFE LIKE SAM

A Journey to School

SCHOOL DAYS ARE GREAT DAYS FOR SAM!

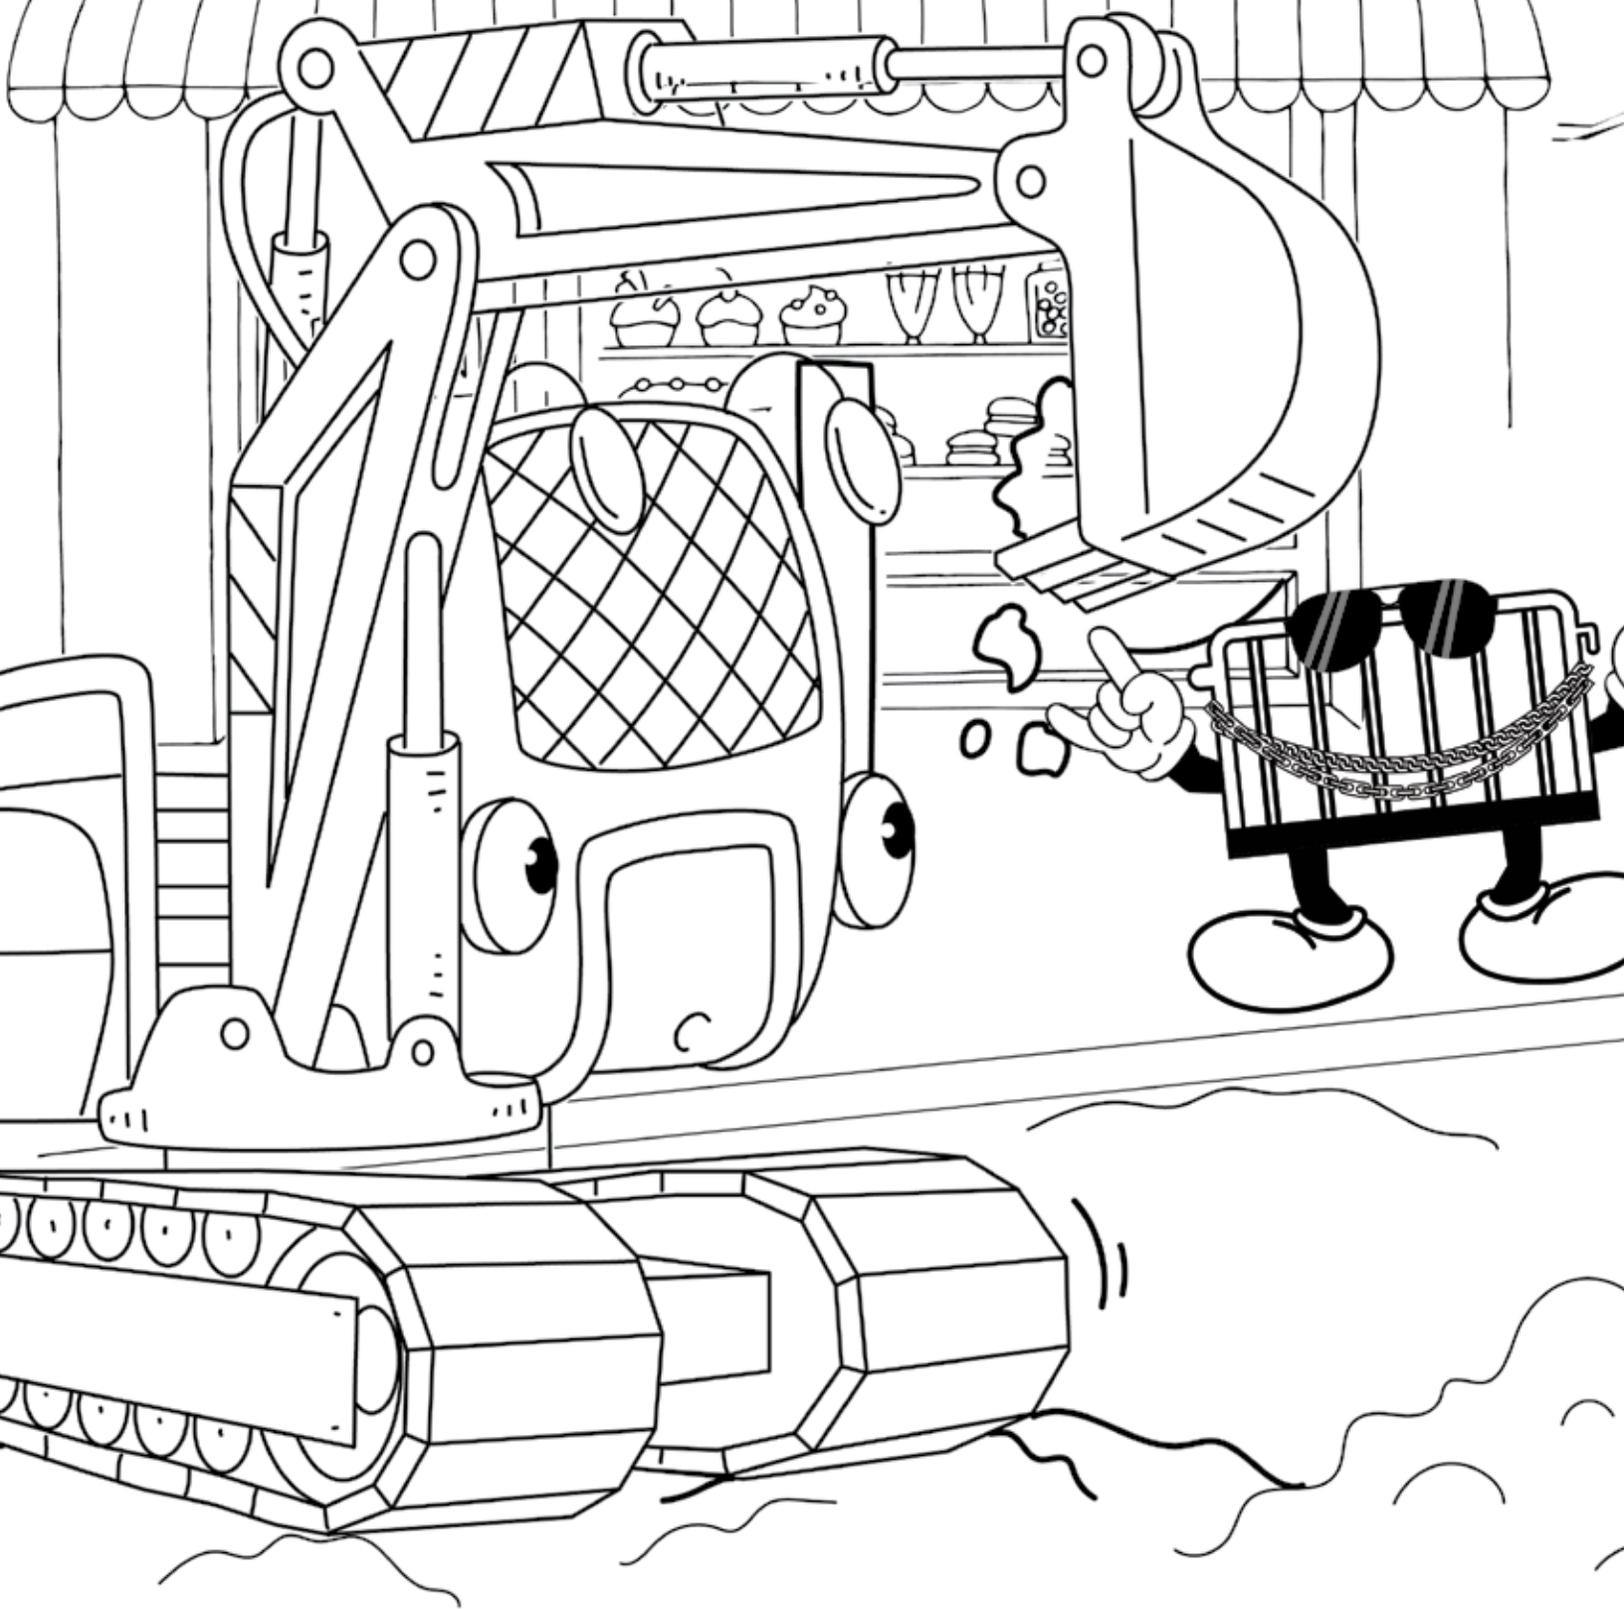

With the sun shining and the hustle bustle all around, Sam loves the action he encounters on his journey. He knows that his safety is up to him, so he stays alert and uses his smarts to navigate obstacles along the way!

Good job, Sam.
You are so smart to
look left, right, then left
again and to wait for the
traffic signal to turn **GREEN**
before stepping off
the curb.

Get off the phone. Eyes up!

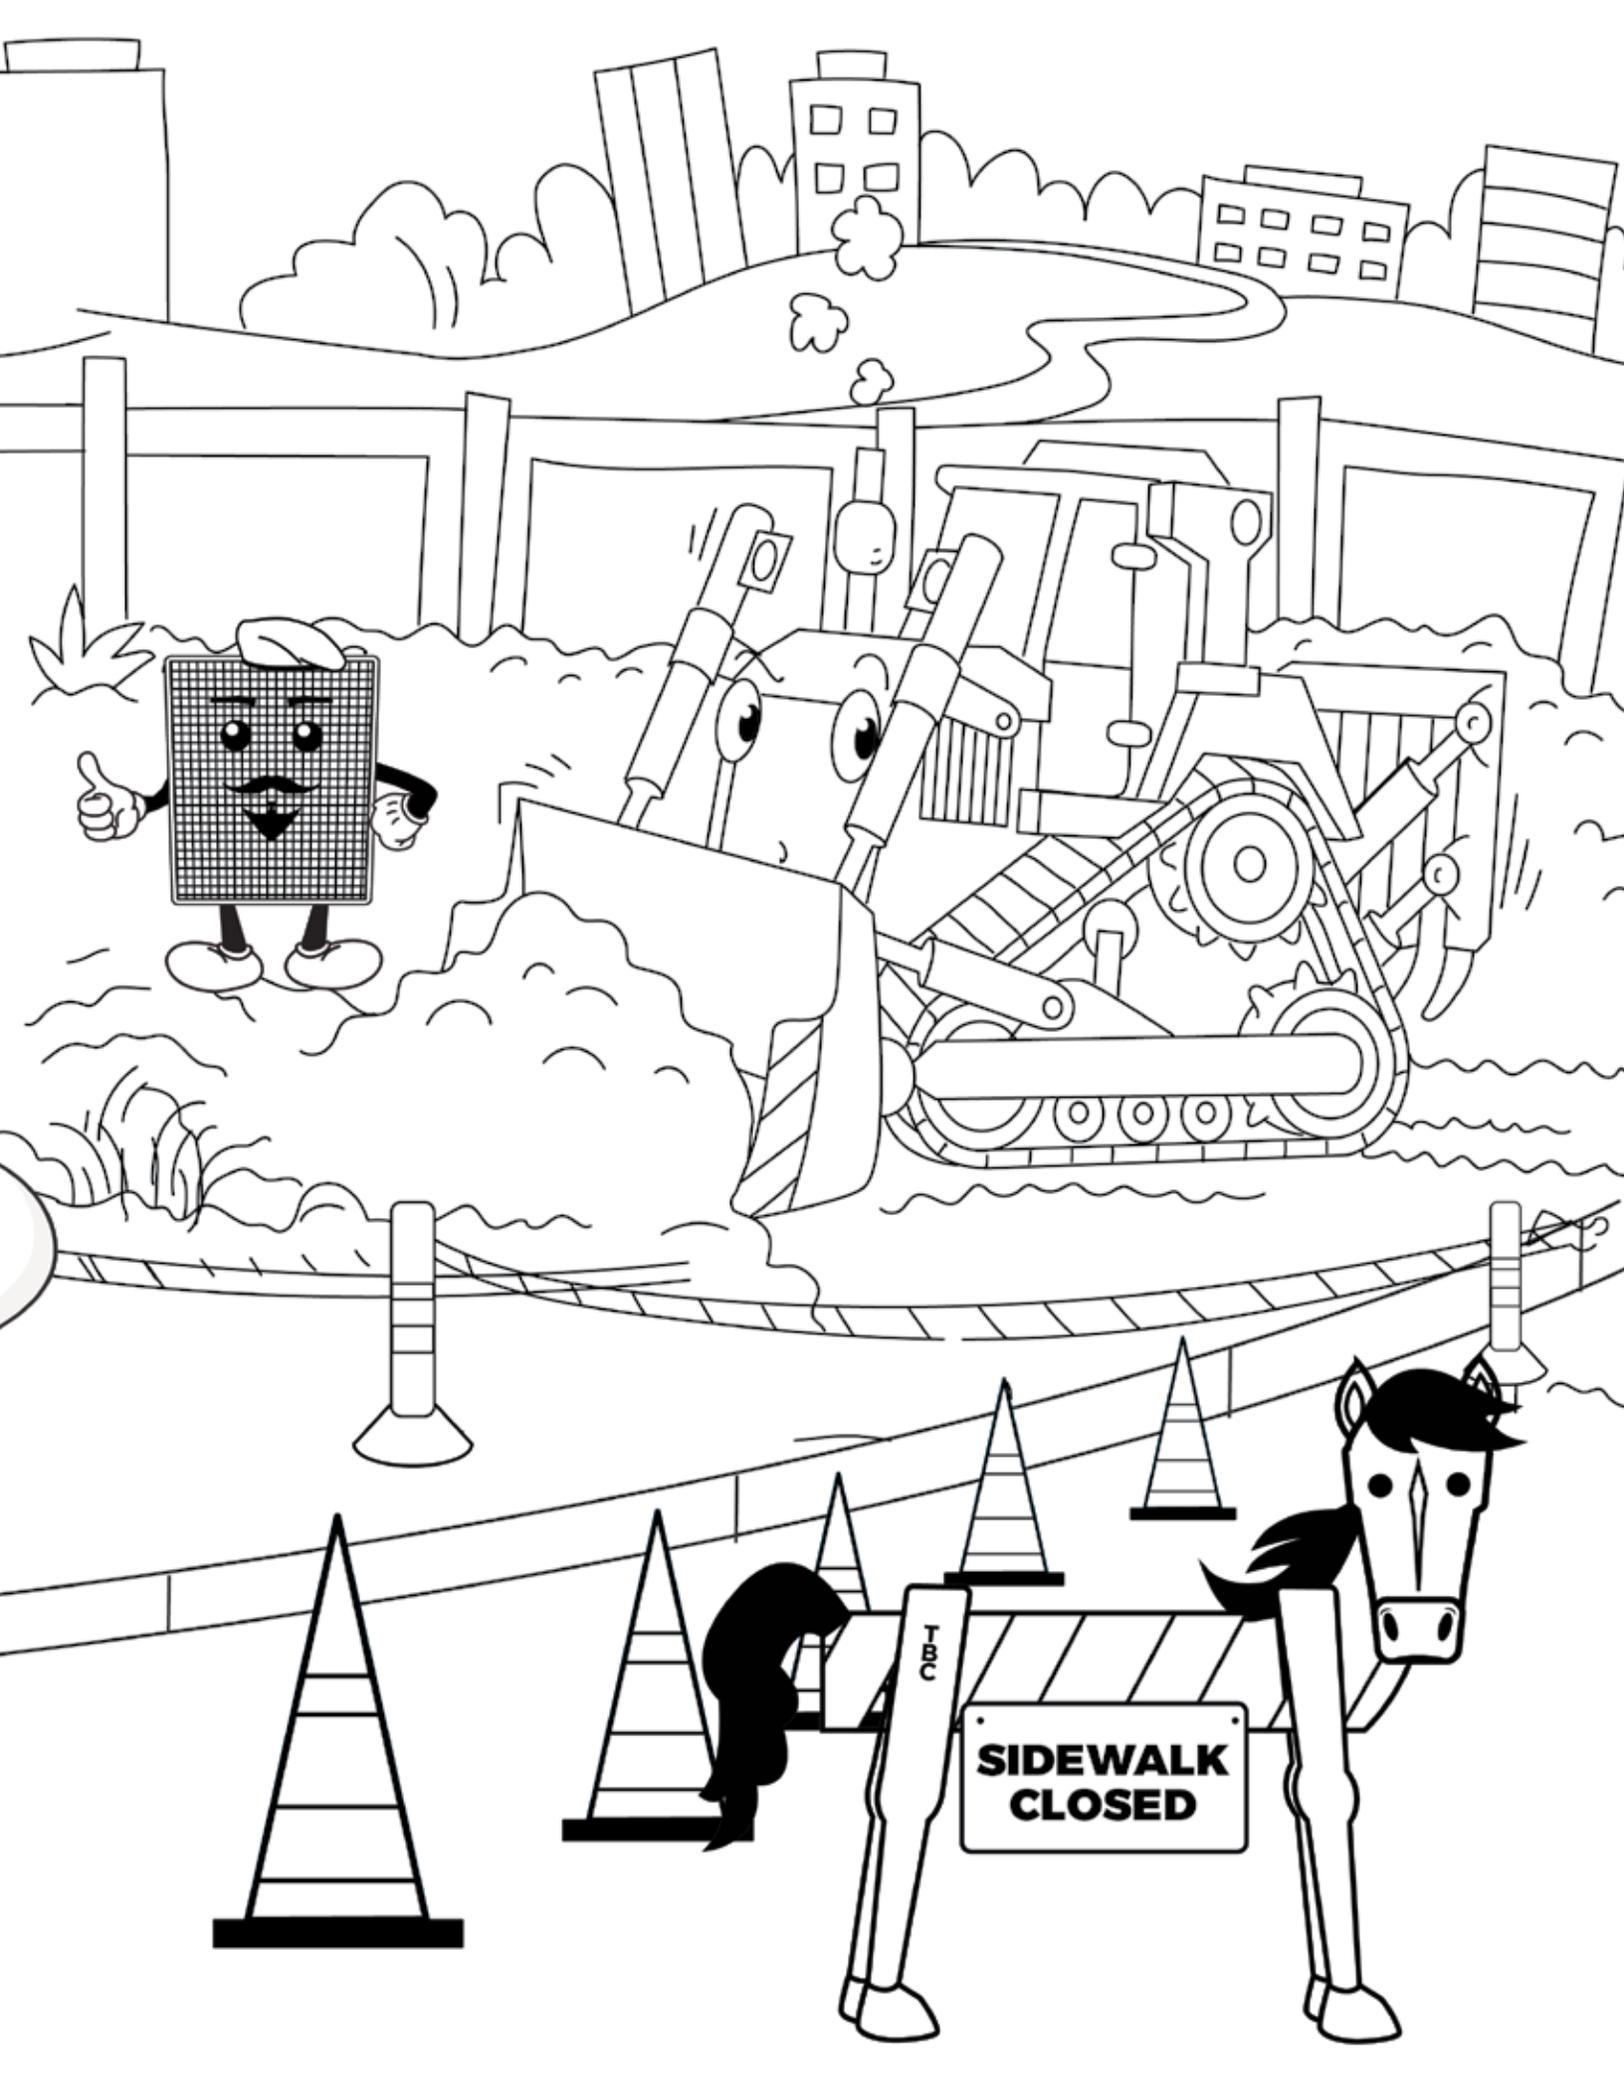

Listen to Sam or you'll end up falling in a hole.

What did the cone say to the boy?

Orange you glad you followed the safety signs?

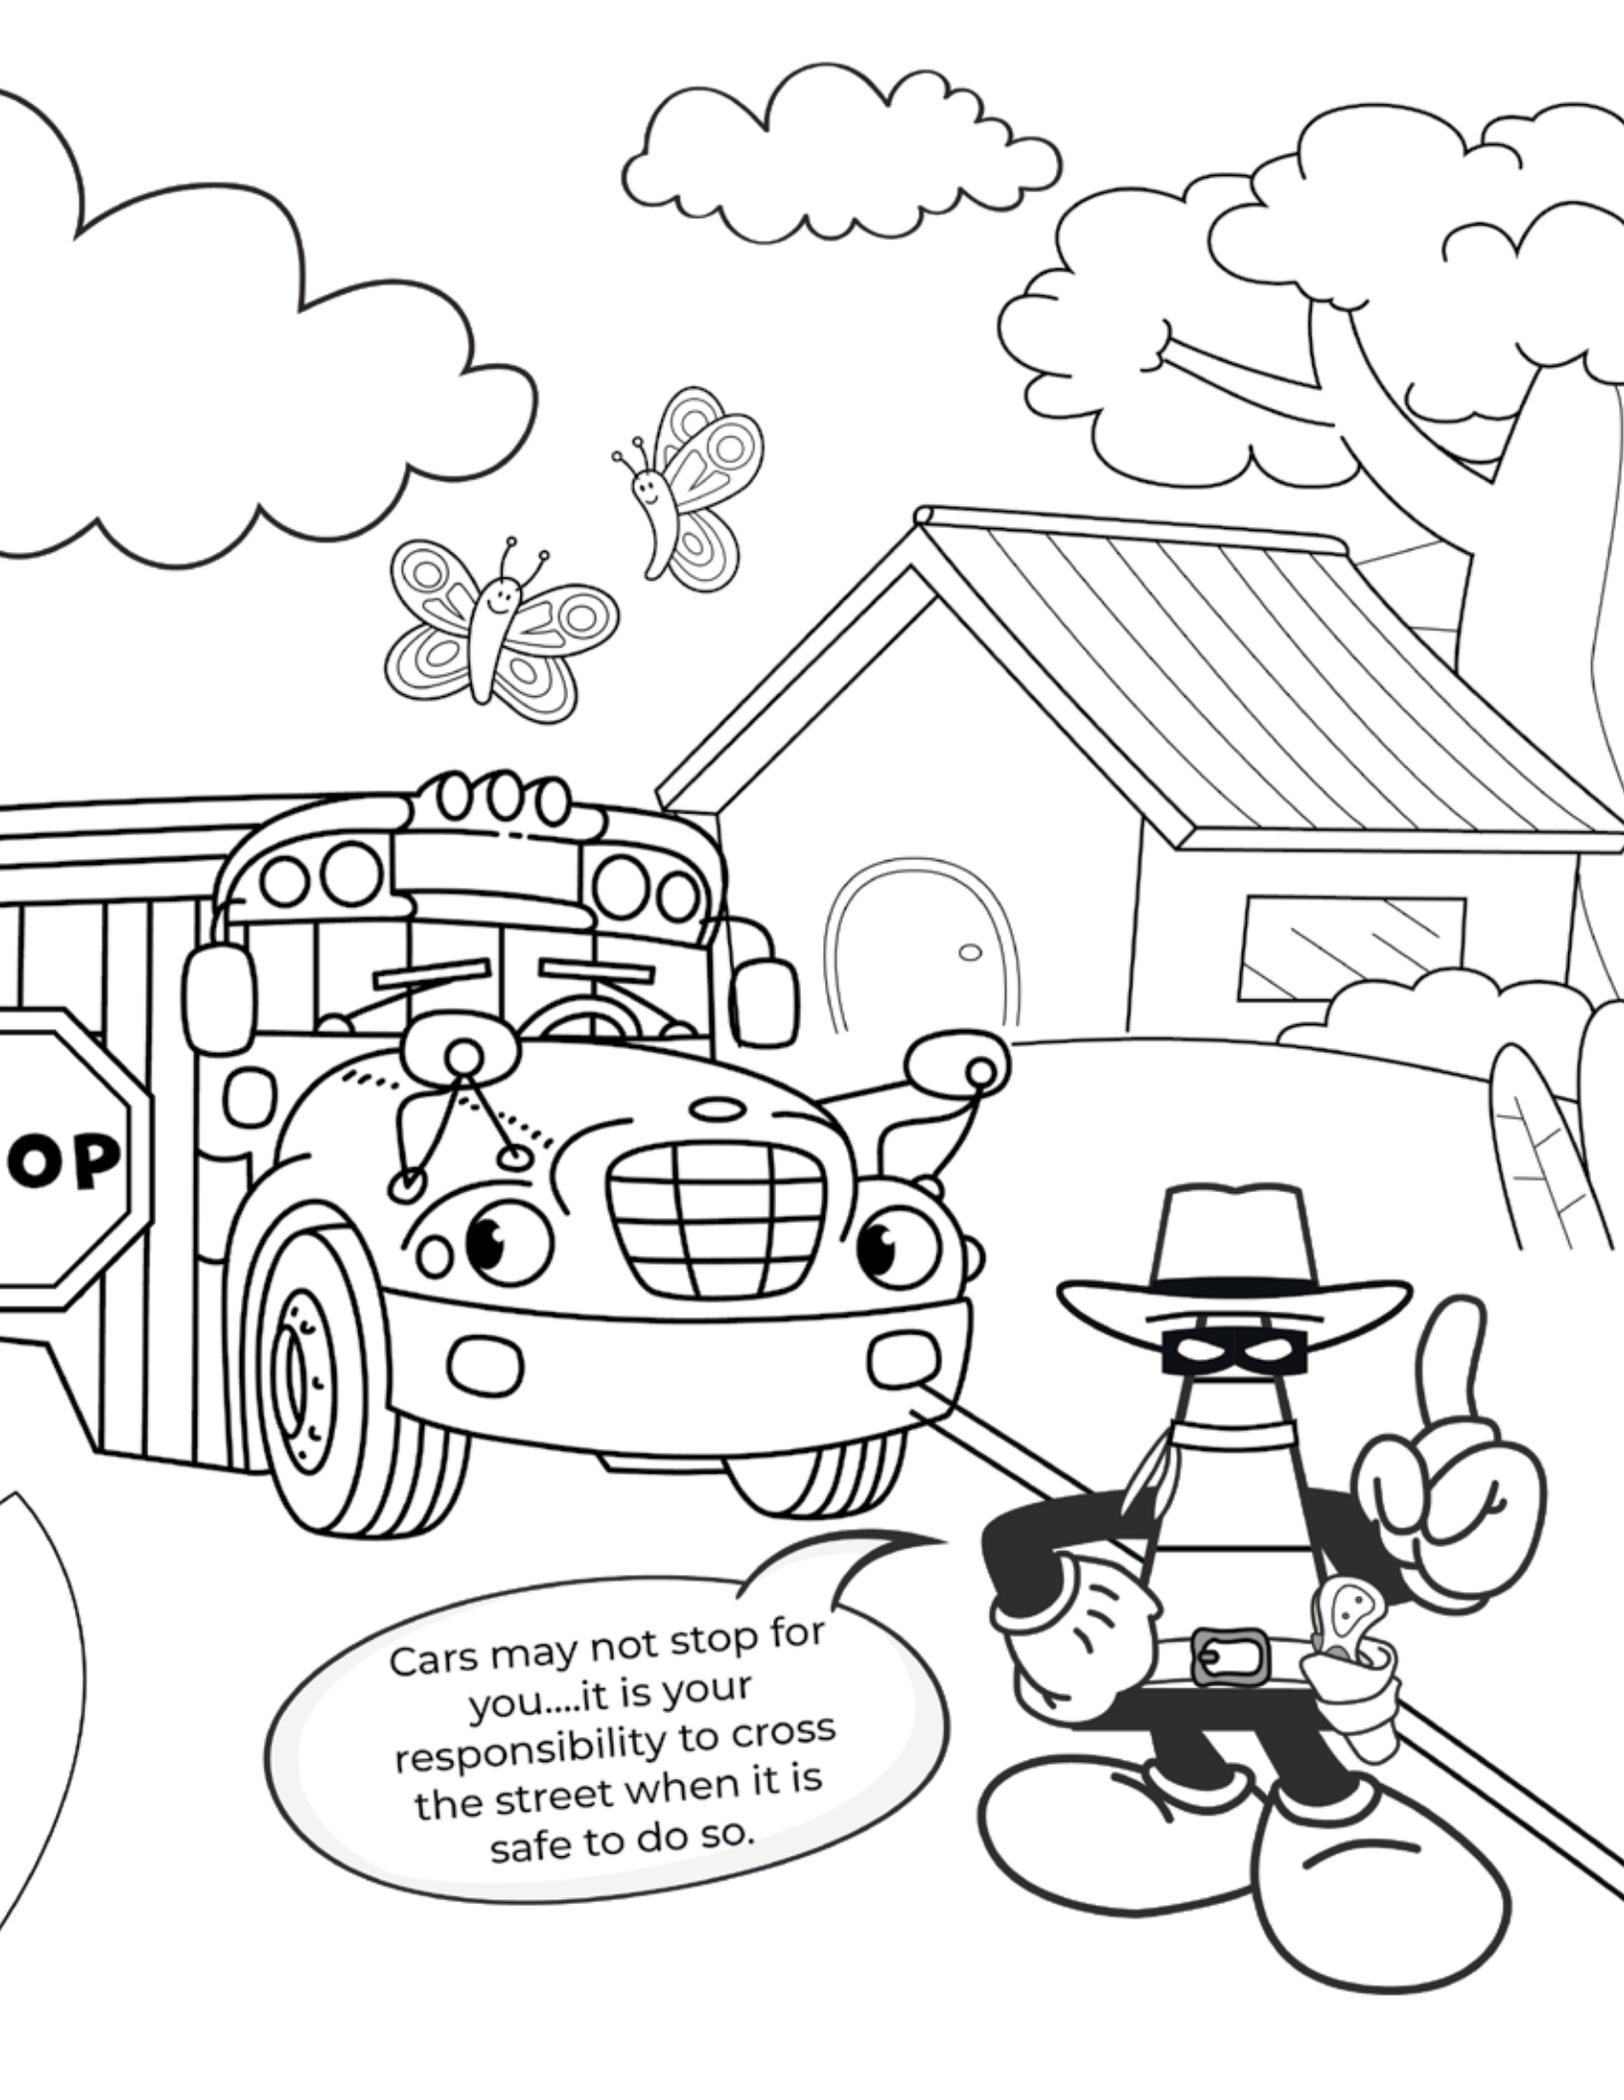

BEEP... BEEP!

Watch out!
The truck is
backing up!

Cars may not stop for you....it is your responsibility to cross the street when it is safe to do so.
